Dear Sir,

I am writing to you today to ask that you please act on the petition regarding downed animals, docket number 98P-0151/CP1 and classify meat from downed animals as adulterated. Doing so would end the prolonging of animals that are suffering and it would also ensure more safety regarding consumers' health. Please support this petition and make our world a much better and safer place for all of us.

Thank you in advance for your support. Many greatly appreciate you for doing so.

Sincerely,

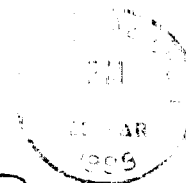

Michelle Cooper
